EDUCATION

Vellore Institute of Technology   Bhopal, Madhya Pradesh
Computer Science (Btech.)   August 2022 - May 2020
GPA: 9.01

Prince Uch Madhyamik Vidyalaya   Sikar, Rajasthan
Science Degree in 12th (CBSE)   July 2020 - July 2021
Percentage: 94%

Kendriya Vidyalaya   Bhilwara,Rajasthan
Science Degree in 10th (CBSE)   April 2018 - May 2019
Percentage: 87%

EXPERIENCE

ANALYTICSWITHANAND | Data Analyst Intern   Remote | August 2024 - Present

- Collaborated as a Data Analyst Intern to remotely gather and translate business requirements into actionable insights.
- Resolved data-related challenges by troubleshooting issues and implementing timely, effective solutions.
- Streamlined workflows by automating repetitive tasks, reducing processing time and enhancing team efficiency.
- Analysed large datasets (structured and semi-structured) using advanced tools and techniques, uncovering trends that informed strategic decisions and optimized reporting processes.
- Developed interactive dashboards in Excel and Power BI to provide real-time tracking of key performance indicators (KPIs), enabling data-driven decision-making.
- Optimized data visualization processes to improve clarity and accessibility of insights for stakeholders across departments.
- Implemented data cleaning and transformation pipelines using SQL and Python, ensuring high data quality and consistency.
- Worked closely with cross-functional teams, enhancing collaboration between technical and non-technical stakeholders.
- Documented data workflows and processes, facilitating knowledge sharing and onboarding for future team members.

SKILLS

Programming Languages:	SQL, Python
Libraries/Frameworks:	Numpy, Pandas, Matplotlib, Seaborn, Ploty
Tools / Platforms:	Snowflake, Matillion, Power BI, MS excel, AWS, MySQL Workbench, GitHub

HONORS & AWARDS

- 2 times NDA Qualified Student
